ORDER

**Plaintiff's Motion to Be Excused
From Attending the Settlement
Conference - #67**

This matter comes before the Court on Plaintiff North American Company for Life and Health Insurance's ("North American") Motion to be Excused from Attending the Settlement Conference (#67), filed on June 4, 2013.

On May 23, 2013, the Court ordered all parties and counsel of record to attend the Settlement Conference scheduled for August 22, 2013. *See Order, Doc. #66.* North American represents it interpleaded in this action because it was unable to discharge its admitted liability under the annuity at issue in this case without risking multiple liability. North American has deposited its admitted liability, *See Doc. #20*, and has an unopposed Motion for Summary Judgment (#42) pending before the District Court. The Court finds that North American establishes good cause for exception from attendance at the August 22, 2013 Settlement Conference. Accordingly,
